

**MARES BRED IN 2008 CAN BE NOMINATED
FOR REGION 15 IN-HAND AND PERFORMANCE FUTURITIES**

Did you breed your mare(s) this year for a 2009 foal? If so, and if you nominate your mare(s) for the Region 15 Futurity, your 2009 foals will be eligible for the In-Hand futurity class as a three year old AND the Performance futurity class as a four year old. In 2009 the Performance Futurity will be introduced for four year olds whose dam was nominated in 2004. Whether you breed for a halter horse or a performance horse or both, the Region 15 Futurity will give you the opportunity to showcase your breeding program and win prize money. To be part of the Futurity you only need to nominate your mare by December 31 (\$10), and make four renewal payments of \$25 each. Complete the Nomination Form today so you don't miss out.
